HANDLE SERIES

执手系列

- 产品名称: 中南海执手
- 产品颜色: 玫瑰金 / 沙光银
- 材质: 紫铜 + 锌

HANDLE SERIES

MODEL :

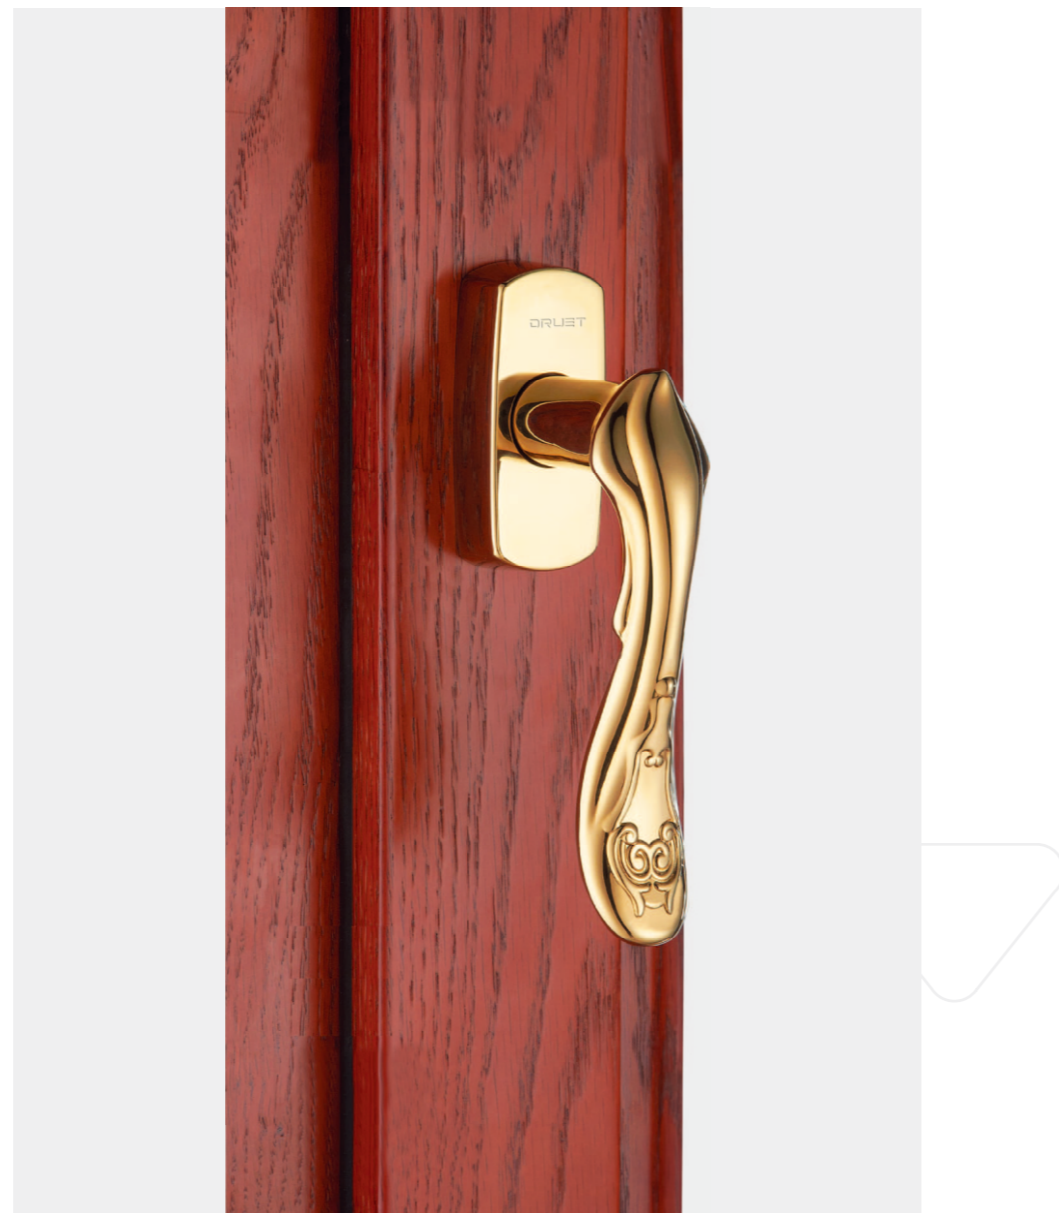

V2215 16 G011

Appearance description

- Product Name: Athena Faith Bird Copper Totem
- Color: Ceramic Gold
- Material: Purplish Copper / Brass

Design concept

This type of handle originally derives from wisdom goddess named Athena in ancient Greece. The bird (Faith Bird) standing on her shoulder is the symbol of wisdom, Viborg City from Russia named it as the symbol. As is known to all, Faith Bird is commonly associated with wisdom. The wisdom goddess Athena was a gorgeous angel, she had a pair of bright grey eyes, wearing helmet and armor, with lance and Medusa shield in her right and left hand respectively. The wisdom goddess Athena was regarded as the the goddess of labor and harvest in ancient era, granting ploughs, harrows, spindles and looms to human beings. She was also called as the defender of science and the law maker, she created courts to safeguard the stability and peace of the society. The handle made of pure copper is aluminium totem handle, which brings good luck to your home.

HANDLE SERIES

MODEL :

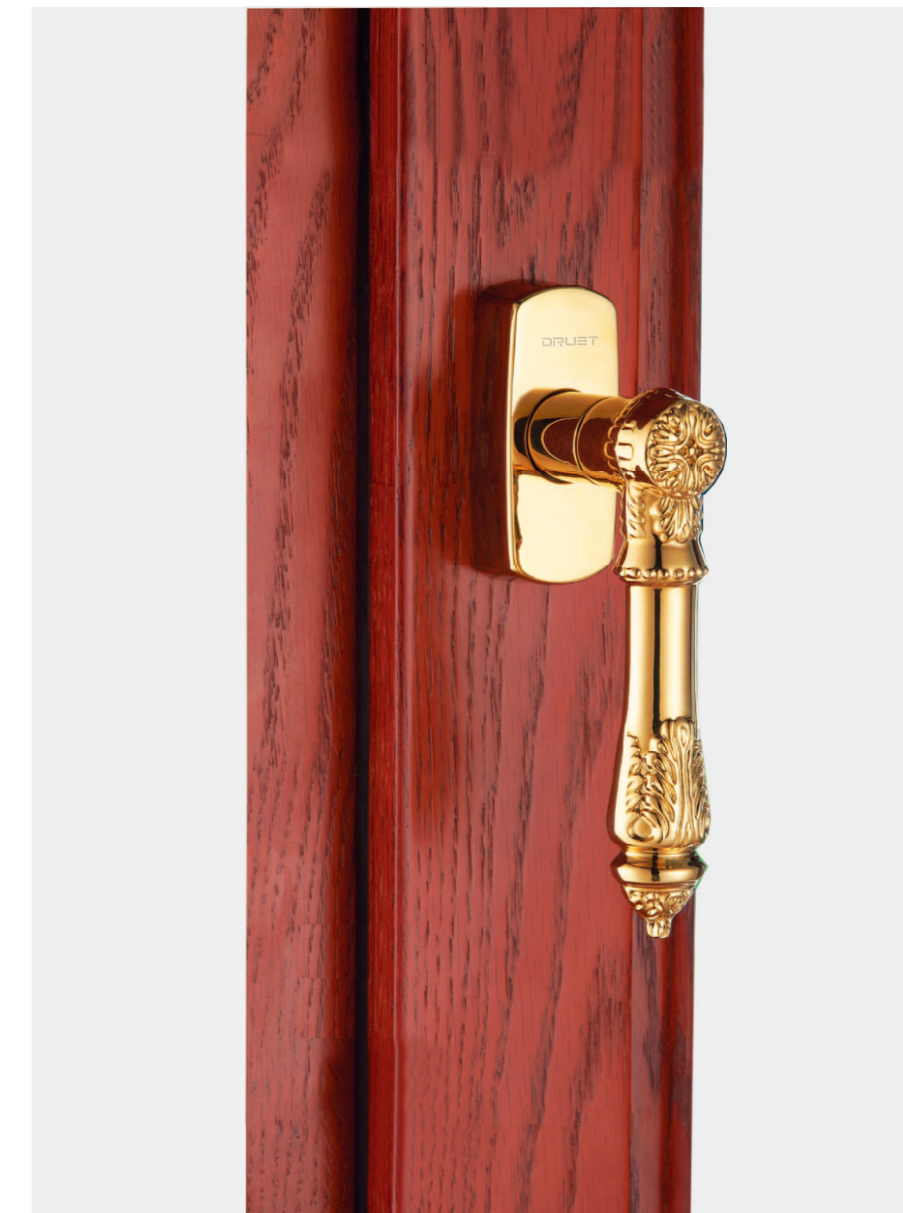

V2215 16 G031

Appearance description

- Product Name: Napoleon Four-Leaf Clover Totem
- Color: Ceramic Gold
- Material: Purplish Copper + Brass

Design concept

Napoleon Four-Leaf Clover Totem is originally derives from the story about Napoleon, once Napoleon leading his army walked through the grassland and found a piece of plant on the ground, suddenly one bullet was shot to him when he approached to pick it, he survived by this incident, hence, Napoleon named it as Four-Leaf Clover. Four-Leaf Clover is commonly recognized as the symbol of luck. Each piece of Four-Leaf Clover has its diverse meaning, which represents honor, wealth, love and health, the person occupying these things indicates he is the most lucky person in the world.

HANDLE SERIES

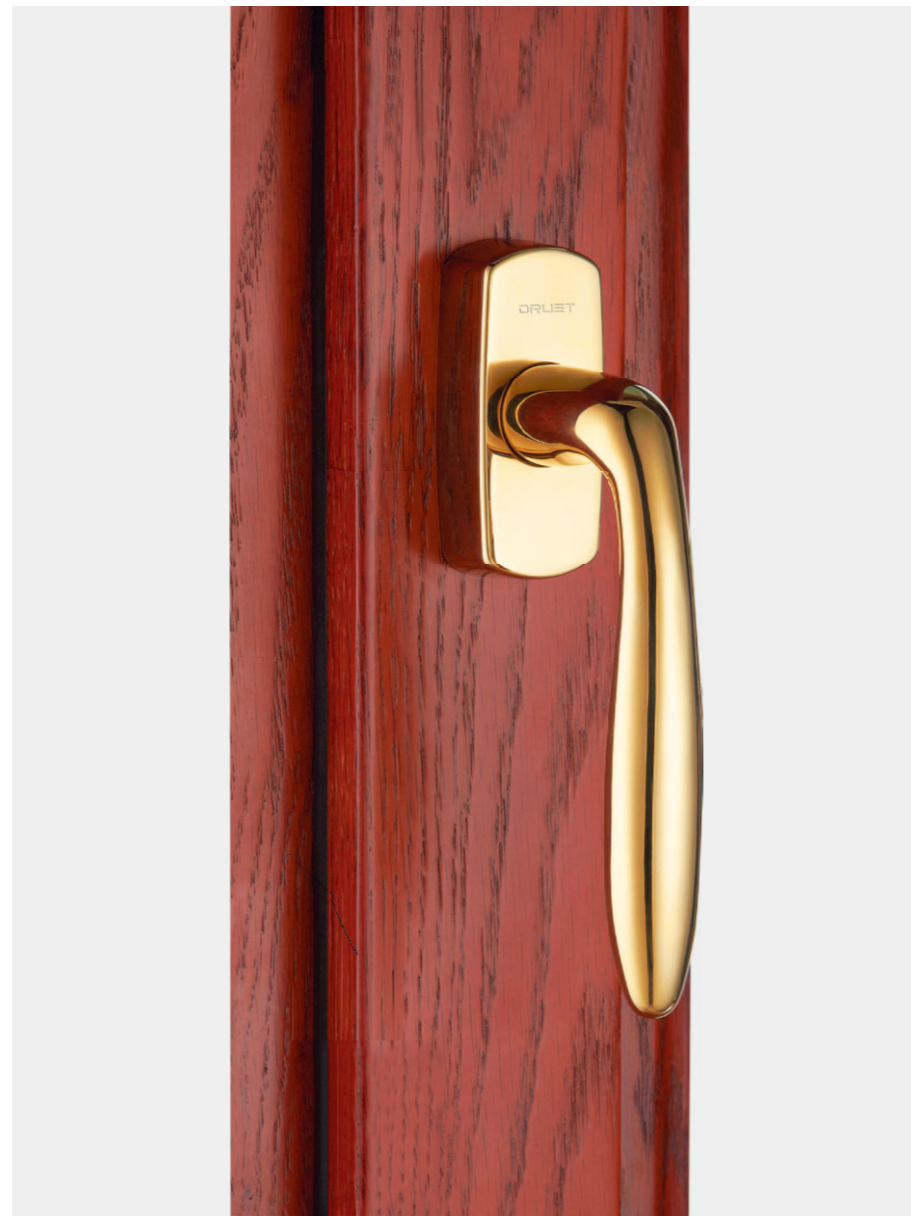

MODEL:
V2215 16 G001

Appearance description

- Product Name: Golden Eggplant Copper Totem
- Color: Ceramic Gold
- Material: Purplish Copper + Brass

Design concept

Golden Eggplant Copper Totem originally derives from ancient era, human beings consider some animal and plants containing eggplant as their mascot. Human beings believe that these things would not hurt themselves, but also protect themselves, meanwhile, these things could bring super power, courage and technique to them. Humans respect them kindly, some clans and families named them as totems and created various cultural atmosphere in order to show respect.
